Updates/Reminders	Updates that were planned for today will be done at our next meeting in January 2018.		
Strategic Enrollment Management Plan (SEM)	The main focus for this upcoming year is to increase retention through our enrollment efforts. Discussion followed about the preparedness of college students and how we can partner with K-12 schools to help improve this		
Momentum Year Webinar What is the Momentum Year?	Momentum Year - Creating a clear approach to first year student success. Integration of structures and initiatives on each campus to provide support for student success for new students (freshmen). Students are more likely to be successful when the following occur: <u>Purposeful</u> choice; productive, academic mindset		

	(academic focus area); In the first year, the following should be completed: core English and math, 9 credits in the focus area, and 30 credits		
What to expect? What is next?	<p>The Momentum Year is the next phase in Complete College Georgia. The focus is to scale all strategies across USG and leverage system resources to help institutions and students.</p> <p>Momentum Year Summit to be held February 15-16, 2018 (Georgia Tech Global Learning Center in Atlanta): Objective is to develop 18-month institutional implementation plans (teams of 7 – President, VPAA, VPSA, CBO, and 3 additional team members).</p> <p>Prior to the Summit, institutions need to complete the Momentum Year Inventory by 1/31/18 (coordinated by the Momentum Year contact person to the USG) to identify hurdles to fulfilling the Momentum Year (link on the resource page on the USG website).</p>		
Announcements	Student Success Center will be changing their name to Academic Support Center effective end of the spring.		
Next meeting		The tentative date for the next meeting will be in January 2018 (day TBA) at 1:00.	Rodney Carr will send out a calendar invite
