### Acknowledgements

Please read carefully and acknowledge each section below before continuing. Failure to adhere to these requirements could delay your enrollment certification to the Department of Veterans Affairs.

- I confirm that I have registered for classes and have a class schedule for the semester in question.
- I confirm that after discussion with my academic advisor and upon review of my DegreeWorks record (<https://www.valdosta.edu/english/faculty-staff-resources/Degree%20Works.php>), I am registered to take classes that apply to my current degree program at Valdosta State University.
- I understand that the Department of Veterans Affairs generally will not allow certification of classes that I have previously passed. Exceptions\* are limited, but may include coursework that I received a "D" in but my degree requires a "C" or higher for certain courses in my program.  
\*If you feel you have an exception that should be considered, please have your academic advisor email [va@valdosta.edu](mailto:va@valdosta.edu) to explain further before completing the rest of this form.
- I understand that if I am planning to use Tuition Assistance (TA) benefits, I will contact the VSU Bursary at [studentaccounts@valdosta.edu](mailto:studentaccounts@valdosta.edu) for assistance.

Do not click "Continue" if any of the following conditions below apply. Instead, contact your academic advisor for further guidance.  
1. Registered for coursework that is not required for your degree or if the coursework is marked as "fallthrough" in DegreeWorks.  
2. On a wait list for a course that is currently full. If so, this does not count as being enrolled. Wait to submit this checklist until you are enrolled in all classes for the semester.

\*In some cases, before you may submit and finish your Checklist, the system will prompt you first to upload other documents. For example, if you are receiving the Post 9/11 (Chapter 33) VA benefit, you will need to upload a current Certificate of Eligibility (COE). Once you have uploaded these additional documents, you will then be able to submit and finish.

\*\*Once you have submitted/finished the documents, the Valdosta State University (VSU) VA Office will do an initial review within 48 hours. This review can sometimes result in a request for additional information. If so, you will receive a text/email alert directing you to log back in to provide the additional documentation. Any additional information must be submitted, prior to the VSU VA Office submitting enrollment information to the Department of Veteran's Affairs.
