Hello Psyc Club Members,

In yesterday's meeting we had Erica and Natalie (two first year graduate students) come speak with us about Marriage and Family Therapy. The program is a 60 semester credit degree including 42 credit hours of didactic course work and 18 credit hours of supervised practice. The program takes a minimum of two years to complete. They only accept fall enrollments, but if you are interested in the program and have questions please call Kate Warner, Program Director (229-293-6264) or email her at (kwarn@valdosta.edu).

Next week will be our last meeting of the semester sadly, but please come by for pizza and games. If you would like to bring playing cards or board games feel free!!

Also congratulations to those who are graduating next month!
