

**Engineering Studies
(AKA Engineering Transfer Program)
Projected Course Rotation**

This document shows the courses that are projected to be offered for Engineering Studies students that expect to transfer to a different college to finish an engineering degree. For exact course offerings, up to six months in advance, please check with your advisor or the Department Head.

Every Fall*	Every Spring	Summer
ENGR 2010 ENGR 2500 ENGR 3210 ENGR 3320	ENGR 2010 ENGR 2200 ENGR 2310 ENGR 2320 ENGR 2500	No ENGR courses offered; take classes in your core.

*For fall semesters of even numbered years (e.g. fall 2020 or 2022), ENGR 4310 is offered in addition to the listed classes.
